We Build Excitement

Northern Iowa men's track and field and cross country teams are dominant forces in the conference and on the state and national level. Panther teams have finished in the top two in conference meets in eight of the last 10 years and expectations for this year's teams are as high as they've ever been. Northern Iowa's improvement through the years is reflected in the higher quality of athletes recruited and now representing the Panthers. The upgrading of schedules and competition in the prestigious Central Collegiates and the Association of Mid Continent Universities Conference are just some of the ways "We Build Excitement" with men's programs at the University of Northern Iowa.

On the Cover: Senior sprinter Brooks Glasnapp, holder of the school records for the indoor 300 yard dash, 440 yard dash and anchor of the mile relay team; and outdoor in the 400 meter dash, and a member of the 800 meter and 1,600 meter relay teams. Glasnapp also is a member of the AMCU outdoor mile relay record-setting team and in 1986 won the conference indoor 600 yard dash and the outdoor 400 meter dash. In his last season he is looking to author new school and conference records individually and as a member of Northern Iowa's relay teams. Seen here in action in the UNI-Dome, breaking the tape for yet another win in the 440 yard dash.

Northern Iowa Excitement Continues

By Jim Sullivan

A sprinter lunging at the tape to beat a rival by an eyelash . . . a distance runner summoning his final reserves of oxygen and desire as he mounts a finishing kick in the final 200 meters . . . a long jumper slamming his foot on the board and then exploding high into mid-air. That's excitement, as a track fan sees it.

As the title of this guide suggests, however, excitement is not an accident. A track coach knows no one will be thrilled unless a firm foundation of talent and tradition is built. Accidents do not happen in track.

Northern Iowa track coach Chris Bucknam has been busily hammering away at his 1987-88 squad. Setting aside his tools briefly, he eyed it with a critical craftsman's eye and pronounced himself, well, excited about its chances.

"Right now, we're not the strongest team we've ever had here, but it could be one of the top teams we've put together," Bucknam said. "We have depth and talent — a great combination of upperclassmen and underclassmen. We have a number of impact-type athletes that are really going to make a difference for us.

"A standard for us is winning titles. That's how we judge a season, because our team strength brings out the best performance from our athletes."

As Bucknam enters his fourth season as head track/cross country coach, that formula seems to be working. Out of 10 potential AMCU-8 titles in track and cross country, Bucknam's teams have won four, finished second four times and third twice.

A year ago, that standard of success was successfully challenged by Eastern Illinois. The Blue Panthers swept the indoor and outdoor AMCU titles, while UNI settled for second and third, respectively. Eastern, Bucknam says, is once again the team to beat for both AMCU titles. On the other hand, Northern Iowa appears to be stronger than it was last year.

One big reason is the return of four athletes redshirted during the 1987 outdoor season. Three are seniors that Bucknam considers some of his "top guns."

There's Brooks Glasnapp, for instance. The Roland, Iowa, native is outstanding in the 300 to 600 meter range. During the 1987 indoor season, Glasnapp was second in the AMCU 440 in school record time and anchored a winning relay team that surpassed a UNI mark. Also off the redshirt list is senior Eric White, a conference champion hurdler who is eligible for only the outdoor season, top weight man Kelly Tagtow (a senior) and freshman Trent Timson, who enjoyed a very strong 1987 cross country season.

Bucknam's point potential doesn't stop there. Brad Bartelt is back after setting a Northern Iowa indoor mark in the 600. Jeff Burris returns after a superb 1986 sophomore campaign. Burris swept the indoor and outdoor AMCU half mile titles, set school marks in both and missed qualifying for the NCAA outdoor meet by the slimmest of margins. Veteran distance runner Dan Hostager also set a school mark last year in the outdoor 5,000, and he's back.

Rodney Garrett heads the list of sprinters, while defending AMCU outdoor champ Brent Wright and Dave Cleveland return in the high jump. Joel Hartman is set for another shot at the outdoor conference intermediate hurdle title.

The relays? Well, Bartelt, Burris and sophomore Jim Turner made up three-fourths of the mile relay team that won AMCU indoor and outdoor crowns.

There are, of course, some holes to fill. Long jump record holder Wayne Simon and steeplechaser Steve Gearhart are gone. On the other hand, Bucknam has recruited at least three freshmen who could help right away. They are pole

Dan Hostager at Dogwood Relays

Eric White at Drake Relays

vaulter/hurdler Brad Miller (Glenbard West, Illinois), pole vaulter Bob Edwards (Fort Dodge) and ex-Central Waterloo sprinter David Harrington.

Add it up, and the Panthers are strong in the long sprints, middle distance and long distance events, Bucknam said. They are "shallow, but talented" in the sprints and weights.

Bucknam thinks Northern Iowa will not only be a challenger in the AMCU, but it will also produce some NCAA qualifiers and make an impact in some of the major regional meets. He also hopes for a strong Panther effort in the 25-team Central Collegiate Conference, which includes schools from several major leagues.

Then again, Bucknam says the AMCU's stature as a track conference is growing.

"Competitively, I think the AMCU is equal or better than the Missouri Valley," he said. "I feel good about that, because the Valley is an established Division I track conference."

The UNI-Dome — Home of Champions

Brent Wright

The UNI-Dome combines the features of three buildings — a field house, football stadium and large auditorium. It contains facilities to hold a variety of events such as concerts, exhibitions, trade shows, pageants, rallies and convocations, as well as football, basketball and softball games, and wrestling and track meets. This year, the UNI-Dome will be the site of the prestigious Central Collegiates as well as the Association of Mid Continent Universities (AMCU-8) Championships. In addition, the annual A.D. Dickinson Relays, the premier indoor high school meet in the state, will be held here.

The Dome has been host to such events as NCAA football playoffs and gymnastic and wrestling championships, high school all-star basketball games, high school football playoffs, concerts, car shows, truck and tractor pulls and many other non-athletic events.

The Dome was designed with something for everyone. Its artificial turf for football games can be installed in 36 hours. Underneath, on a synthetic floor area, are basketball and tennis courts and an eight-lane, 220-yard oval running track.

Approximately 16,400 spectators can be seated for football games and track meets and 11,200 for courtside activities. For stage productions such as commencements, concerts and speaker's series, total capacity — using movable bleachers and chairs — can reach 25,000.

Steve Jay in the Dome

The 168,000-square-foot Dome, which rises 124 feet above the arena floor, is supported entirely by a network of 12-stranded steel cables and four air blowers. A concrete and steel ring around the top of the 70-foot high stadium wall holds the cables which weigh 47 tons.

The Dome's air-supported, fiberglass-fabric roof, was constructed at a cost equal to half that of conventional-roof construction facilities. Because of the roof's translucence, ample natural light is available during daylight hours resulting in a sizeable savings on utilities.

The roof of the Dome is made of 49 tons of woven fiberglass coated with Teflon. Approximately 60 percent of the Dome has an inner liner of fabric which provides acoustical as well as thermal benefits.

A spacious press box atop the East stands has facilities for 20 radio stations, television capabilities and seating for up to 125 people. A photography darkroom, photo bay, concession area and scouting booths are other features. Two huge new electronic color scoreboards flash messages and information to spectators throughout the events.

The West press box provides a meeting room for the Northern Iowa Athletic Club. Plans call for the addition of locker and training rooms and VIP boxes. Currently, an enclosed passageway connects the Dome with the Physical Education Center for locker facilities.

Coaching Staff

Head Coach Chris Bucknam

In only his fourth season as head men's track and field and cross country coach, Chris Bucknam already has compiled impressive statistics and developed extremely competitive teams and individuals.

Bucknam has led the Panthers to two indoor track conference championships and a second place finish in last year's Association of Mid Continent Universities Championships.

In outdoor track, his teams have one conference championship and two third place finishes to their credit.

Bucknam's cross country teams have finished second in the conference the past three seasons and tied for first the year before that one, with one individual champion.

He was named Conference Indoor Track Coach of the Year in 1985 and 1986, and Conference Outdoor Track Coach of the Year in 1986.

Since his arrival at Northern Iowa in 1979, the Panthers have won or shared 10 conference championships in cross country and track and field, with Bucknam as either head or assistant coach.

A native of Beverly, Massachusetts, Bucknam attended Norwich University in Northfield, Vermont, where he was a four-time letterwinner in track, specializing in the middle and long distance events. He was elected co-captain his senior year and graduated from Norwich in 1978 with a bachelor's degree in physical education. He earned his master's degree in physical education from Northern Iowa in 1982.

A proven developer of talent and strong recruiter, Bucknam has continually improved on an already strong program. A bundle of energy himself, Bucknam's teams are respected for their talent and competitive nature.

This past fall, Bucknam and his wife, Cindy, had their first child, Eric.

Assistant Coach Bill Lawson

Bill Lawson, former four-time Northern Iowa All-American decathlete, is in his fourth season as assistant men's track and field and cross country coach with the Panthers.

Lawson, a 1980 graduate, was in his senior year with the Panthers when current UNI head coach Chris Bucknam was named as the school's first full-time track assistant coach in 1979. A UNI school-record holder in the triple jump and decathlon, Lawson was a two-time co-captain for the Panthers. The Carthage, Illinois, native qualified for national competition in the decathlon, pole vault and triple jump, four times. He competed in and won the National Master's Decathlon Championship in Boulder, Colorado, this past summer.

He returned to the Panthers three years ago after serving three years as boys' and girls' track and field and cross country coach, and girls' basketball coach at John Marshall High School in Rochester, Minnesota.

His specific duties with the Panthers include coordinating the fall track program and conditioning, and coaching the field events and decathlon during the indoor and outdoor seasons. According to Bucknam, he is one of the top field event coaches in the country and a great motivator.

Lawson also teaches in the physical education department at UNI, in addition to his coaching chores.

UNI in Conference

The Association of Mid Continent Universities

Since the formation of the Mid-Continent Conference in 1978, Northern Iowa has never finished lower than third place in an M-CC or AMCU league track and field or cross country meet. In the 22 Mid-Continent meets held through 1987, the Panthers were champions 11 times and runnersup seven times.

Short Sprinters

L-R: Kevin Anderson, Rodney Garrett, David Harrington

"With Rodney Garrett and David Harrington in our short sprints, we feel we have two quality sprinters that will help us. Garrett holds a personal best of 6.25 in the 60-yard dash and 10.4 in the 100 meters. Harrington was one of the top high school sprinters in Iowa last year. With the addition of Kevin Anderson from the football team, we feel we will be very respectable anywhere from the 60 up to the 200. Garrett's health and Harrington's adjustment to the collegiate ranks will be the key here. This is the most enthusiastic I've felt about our short sprinters in the last few years."

UNI Accomplishments: Member of 440 yd. relay outdoor record holding team, member of last year's outdoor season best 400m relay team.

Parent: Ruth Garrett UNI Academic Major: Public Relations

High Hurdlers

L-R: Eric White, Joel Van Roekel, Brad Miller.

"This is a very young area. Eric White, who is redshirted indoors but eligible outdoors, looks to be our top hurdler coming back. He is our conference champion and one of the strongest hurdlers we've ever had at Northern Iowa in the 400 and the highs. He is a fifth year senior and will provide leadership. Brad Miller and Carl Brooks are two freshmen that we feel have some pretty good talent. We are very young and inexperienced indoors, but we gain some experience outdoors with the addition of Eric White."

400 Intermediates

Front Row, L-R: Joel Hartman, Eric White. Back Row, L-R: Richard Harris, Blake Wilkinson

"We have dominated the AMCU-8 in the intermediates, so this is one of our strongest areas. We think Eric White has a shot at breaking the school record by running under 52 seconds. Joel Hartman has a personal best of 52.5 and both of these athletes should approach the national standard to make the national championships. Also, Blake Wilkinson has performed steadily for us."

Throwers

L-R: Mike Raffensperger, Kelly Tagtow, Greg Anderson, Mark Warren.

"Our lack of depth in this area makes this our weak link in the program. We have improved over last year, though. Kelly Tagtow is a fifth year senior and looks to be one of the premier throwers in our conference. We hope to get him in the mid 180 range in the discus outdoors. Mike Raffensperger definitely has the potential to throw over 200 feet. He just has to work on keeping his arm healthy and staying consistent. We hope Warren and Anderson will be conference caliber athletes in the future."

Parent: Bob Warren UNI Academic Major: Accounting

Long Sprinters

L-R: Brad Bartelt, Jeff Kapler, Jim Turner, Brooks Glasnapp, David Harrington.

"For the second year in a row, this will be one of our strongest areas. We have two seniors, Bartelt and Glasnapp, who between them probably hold seven school records. They are two of the top long sprinters ever at Northern Iowa. Jim Turner, a high school All-American as a senior, has looked strong this fall and will challenge Glasnapp and Bartelt both indoors and outdoors. Turner is an exceptional talent and we are looking for him to have a great season. Jeff Burris owns the fastest splits in the relays and is a top long sprinter for us. In addition, David Harrington will see duties in the 400. This could be the year to break 3:10 in the mile relay. Burris and Harrington could be really dangerous."

Brad Bartelt 5-10 160 Senior
West Branch, IA Long Sprints West Branch H.S.

Accomplishments-High School: Three-time state 400m Class 2A champion, Honorable Mention All-American, two-time member of state champion medley relay team, four-time all-conference performer, four-year letterwinner in track, three-year football letterwinner, two letters in wrestling and one in basketball.
UNI Accomplishments: All-conference performer first three years, indoor record holder in 600 yd. dash, member of indoor record holding mile relay team as well as outdoor record holding 440 yd. relay team, member of last year's outdoor season best 400m relay and 1,600m relay teams, had outdoor season best in 400m I.H., finished sixth in Central Collegiates 600m last year.

Middle Distance Runners

Kneeling, L-R: Kent Terrillion, Steve Jay. Standing, L-R: Jeff Burris, Pat McDaniel, Doug Boleyn, Tim Ross.

"Last year was an outstanding year for our middle distance runners. Jeff Burris is the mainstay of our middle distance program and he came within .21 of qualifying for nationals. He is by far one of the premier distance runners in the Midwest and before he graduates he will be one of the best in the country. Steve Jay and Kent Terrillion did a fabulous job as freshmen last year. Jay made it to the finals of the Central Collegiate Championships in the 800, while Terrillion ran a best of 1:50.3 and received a third place in the conference. Burris, Bartelt, Jay and Terrillion finished sixth at the Drake Relays in a limited field of 24. The only weak spot will be the mile and 1,500."

Horizontal Jumpers

L-R: Rodney Garrett, Carl Brooks, Paul Gostonczik.

"This area looks to be a little stronger than it was last year. Everything depends on the health of Rodney Garrett, who was injured last year. He has a personal best long jump of 24-2. We feel that Garrett is a mid-24 consistent jumper for us. Carl Brooks has gone 46 in the triple jump in high school. He has good size and good speed, and will be a fine jumper for us at the collegiate level in a couple of years. Even though we don't have a lot of depth, if we stay healthy we could hold our own in this area."

Distance Runners

Seated, L-R: Mike Shaffer, John Ruth, Brad Martin, Trent Timson.
Standing, L-R: Dan Hostager, Tom Penningroth, Bill Castle, Jim Johnson.

"For the second year in a row we are still fairly young in this area, with no seniors. Dan Hostager is by far the mainstay of our distance program. Trent Timson, a freshman eligibility-wise who is coming off a redshirt year, received all conference in cross country and will push Hostager and Tom Penningroth. These three will provide a good one-two-three punch. As a team we finished second in the cross country championships, but we are pretty tough on the track. We could possibly have three runners run at nine minutes in the two-mile. We have a solid nucleus of distance runners who can do a good job for us."

Front Row, L-R: Brad Miller, Chuck Ulin. Back Row, L-R: Troy Huntley, Bob Edwards, John Bunge.

"We have a very young and inexperienced, but also very talented group of pole vaulters. Included are five freshmen. We recruited Brad Miller, who is the best high school vaulter out of Illinois and also the best vaulter in this program. He could be a potential national caliber decathlete down the line. Miller is very fast and talented. His best vault is 15-7. We also recruited the top high school vaulter out of Iowa, Bob Edwards, whose best vault is 15-4. He is an exceptional athlete who I feel is going to blossom. With the addition of Troy Huntley, Chuck Ulin and John Bunge, we feel we are solid in this area."

"The Running Mates are important people in our program and we really appreciate and respect them for their loyalty and support," Coach Bucknam says. Over the years, the volunteer organization has grown into an integral part of the program. The Running Mates help with practices, staff meets and work in the office. They also help with fund-raising events and participate in various social events.
